

DAVE DUGAN

CLEAN COMEDIAN

Jim and Martha Dugan's boy- Dave- was born to be a comedian. A one-of-a-kind delivery accompanied by impeccable timing and imaginative comedy angles has led **DAVE DUGAN** down the path to **NATIONAL TV APPEARANCES, COMEDY SPECIALS** and **RAVE REVIEWS** from corporate event planners.

Whether headlining at a theatre or club or as a keynote speaker at a corporate event or performing at one of many fundraisers, Dave makes a natural connection with the audience. He has a way of "reading the room" and tailoring his material to keep an audience engaged throughout, all while keeping the humor **CLEAN** and appropriate.

A modest Midwesterner, Dave did his time on the West Coast instantly becoming a favorite at the World-Famous **COMEDY STORE** in Hollywood. A long list of comedy specials (including **Dry Bar**) and TV appearances followed- **HBO, Showtime, Comedy Central, FOX, ABC** and **CBS**. Dugan has also become a familiar voice on one of the most popular morning radio shows in the country, The **BOB AND TOM SHOW**, not only as a frequent guest but as a contributing writer.

Born and raised in Carmel, Indiana- known as the "Roundabout Capital of the United States," Dave set a **WORLD RECORD** to help raise thousands of dollars for cancer programs and services by driving 1001 laps around one of the city's 160 roundabouts.

Performing all over the country, Dave's original, unpredictable, everyman style resonates well with a wide range of audiences!
